EXPERIENCE

Junior Software Developer Intern Aug 2025 – Feb 2026
Shroti Telecom Pvt. Ltd. (STPL) · Bhopal, India · Telecom

- Developed 10+ responsive web interfaces for RMS and Airtel network monitoring systems using HTML5, CSS3, JavaScript, and Tailwind CSS, achieving consistent cross-browser compatibility.
- Built and maintained 10+ Django REST API endpoints (views.py) to process and expose real-time site monitoring and operational status data.
- Applied UI/UX principles using Figma, wireframing, and prototyping to design intuitive, user-friendly interfaces aligned with product requirements.
- Validated and debugged APIs with Postman and Thunder Client, identifying edge cases and improving production stability.

PROJECTS

SISTec Alumni Portal Mar 2025 – Mar 2026
React.js · Node.js · Express.js · MongoDB · Socket.io · Cloudinary | Team: 4 · alumni.sistec.ac.in

- Architected and maintained 8+ reusable React.js frontend modules integrated with RESTful backend APIs, supporting 100+ active users across the platform.
- Tested and validated 25+ API endpoints using Postman and Thunder Client, reducing runtime issues by ~30% through systematic edge-case coverage.
- Led frontend architecture and performance optimisation decisions, improving page load time by ~20% and ensuring mobile-first responsive design.
- Assisted in production deployment on Render, environment configuration, and authored technical documentation that cut onboarding queries by ~40%.
